Board/Director Comments:

Director comment – Addressed and corrected the comment made by Emil Bellenbaum where he stated that the trips are only for the elite.

The trips are not for the elite and the statement doesn't make sense since the trips are open for all people of all ages of all counties. If a person cannot afford a trip, financial accommodation can be considered.

Kimberly Daniels comment – Addressed and corrected the comments made by Emil Bellenbaum regarding his statement that he has not received any information regarding his appeal.

The appeal has been discussed at each meeting since the appeal was filed. The appeal has followed the proper timeline and procedure.

Chairperson comment – Addressed and corrected the claim made by Emil Bellenbaum that the board had not reviewed the contract prior to the contract being presented to the Commissioners.

Vice Chairperson question to Director if the lines in the parking lot are warranted and sealed. Director and Chairperson replied that line striping is not warranted and needs to be redone periodically. This is not abnormal and expected.

Report on Special Committee Meeting re: Appeal of Emil Bellenbaum

Committee Members: Kimberly Daniels, Chair; Phyllis Piotrowski, Steve Pereal

An oral report was provided to the Commission on Aging Board of Directors at the May 15, 2024 meeting.

Emil Bellenbaum filed an objection/complaint regarding the discontinuance of carry out meals. The Committee members received a copy of the written information submitted by Mr. Bellenbaum.

The Committee met on May 1, 2024. The Committee reviewed the document. The Committee members then met with RCCOA Executive Director Deb Looney, and discussed the viability of having a carry out meal program. The Committee was advised that under the regulations of the various funding sources, a carry out meal program was not allowable unless the meals were paid for in full by the congregant wishing to receive a carry out meal. The cost of a carry out meal would be approximately \$10.50 per meal.

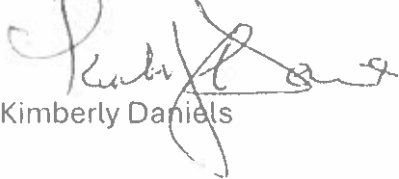

The Committee then met with Mr. Bellenbaum. Mr. Bellenbaum did not agree that carryout meals were precluded under the funding rules of the various agencies the COA is funded by. In the alternative, Mr. Bellenbaum proposed looking into a voucher program that exists in Kankaska county.

After meeting separately with Ms. Looney and Mr. Bellenbaum, the Committee met and discussed the complaint and reached the decision to recommend to the Board that the Executive Director, Deb Looney, research the viability of creating and implementing a meal voucher program.

An oral report containing the relevant information was provided to the Commission on Aging Board of Directors at the May 15, 2024 meeting by Committee Chair, Kimberly Daniels.

This written report, along with an attached copy of the minutes from the May 1, 2024 meeting are presented.

Respectfully Submitted,

Kimberly Daniels
